

Private Chef Services

## OUR VALUES

---

### CHEFS

Our chefs have been carefully selected to meet the highest standards of quality and service. They all have extensive experience in prestigious restaurants and luxury hotels worldwide, and are local-based to bring their expertise to your table.

### SERVICE

To forget everything and concentrate solely on enjoying the pleasures of life, our chefs offer a personalized attention guaranteeing a relaxing time and carefree vacation during your stay.

### INGREDIENTS

In every service, we select the best and finest produce and products available, so you can let go of the whole process and be guaranteed the outcome will be excellent.

## FULL-TIME

---

### 24/7

Our chef will be at your disposal throughout the week to prepare your breakfast/brunch, lunch and dinners. Don't worry about anything - let us know of your dietary requirements if any, it will be all taken care of.

### SERVICE

Our chefs offer a personalised service, guaranteeing a relaxed time and a carefree holiday, so you have no worries during your stay. They handle the shopping, organise the kitchen, and deal with the clean up afterwards.
